To Whom It May Concern:

New York State Education Law §2-d aims to protect Personally Identifiable Information (PII). PII means student information as defined in section 99.3 of Title 34 of the Code of Federal Regulations implementing the Family Educational Rights and Privacy Act, 20 U.S.C 1232g, and teacher or principal annual professional performance reviews. PII includes any information that can be used to distinguish or trace an individual's identity either directly or indirectly through linkages with other information.

ITHAKA asserts that it does not require the collection or receipt of any PII as defined in New York State Education Law 2-d to provide the services that are the subject of the applicable agreement.
